Excess Inventory Management

- Excess Inventory Management Services
- Instant Cash for Stock
- Selling Options

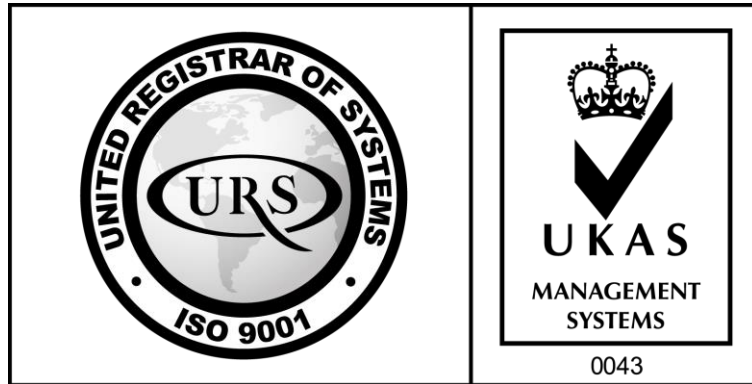

Trading Specialists 2018 – *Services*

- Instant cash for your stock
- The UK's largest purchaser of excess, obsolete, EOL and slow moving electronic component inventory.
- Stock removal including all packing and transportation costs
- Complete confidentiality for complete peace of mind
- Fast evaluation, offer & removal of stock

Trading Specialists 2018 – *Quality Accreditation*

•At Trading Specialists we have been awarded ISO 9001:2015 quality accreditation by the world’s leading certification, audit and verification organisation, URS. URS is a trusted leader in ISO certification standards, their recommendations ensure our operations are efficient and cost-effective, while complying with the requirements of the 9001:2015 Standard.

•This demonstrates our ongoing commitment to having processes and procedures in place which allow all aspects of our services to be the very highest quality.

Trading Specialists 2018 – *Selling Options*

Excess Stock Appraisal

Immediate Payment... we buy your excess stock for immediate cash, complete removal of goods and no ongoing liability.

Full Consignment... we market and sell your excess stock to 16,000 OEMs, CEMs and distributors world-wide through the web to gain maximum market value.

Part Payment & Consignment... we buy your stock for cash and your surplus is removed and sold world-wide. You get a percentage of the future sales value which maximises return by getting immediate cash and ongoing revenue.

Trading Specialists 2018 – *Why Choose Us?*

By working with Trading Specialists you'll benefit from a company with worldwide group turnover in excess of €40M and with one of the largest and most highly trained teams in the industry, giving you the security that comes from working with a highly professional selling partner. Here are 7 reasons why you should choose us...

- Immediate appraisal and removal... you get a fast solution.
- Instant decisions... you know where you stand.
- Stock removal including all transport costs... no hidden charges.
- Cash payments... an instant cash injection to your business.
- No future liability... your protection.
- Little or no disruption... we make it easy for you.
- Complete confidentiality... peace of mind.
